

## Atom Maxi C1DB

Glass Door Merchandiser

### Product Features

- Low energy consumption
- Self-closing hinged glass door
- Double glazed doors
- Vertical LED interior light with switch
- Adjustable shelves
- Ventilated cooling
- Digital controller and temperature display
- Castors
- Freezer Option Available

1 door chiller

The Atom Maxi range of glass door chillers is available in 2 or 3 door options. Edge to edge "frameless" self closing glass doors together with excellent storage capacity make it ideal for all types of chilled food and drink displays. The canopy-less design makes it a favourite choice for shopfitters who use it in convenience stores, delis and butchers where a chilled food and drink selection enables extra choice. A white interior with vertical LED lighting helps present the produce to customers in the best light. The Atom Maxi provides a competitively priced solution to introduce chilled produce to your customers. There is also a matching freezer option available.

### Measures and Content

|                    |                |             |
