Counter Cooler GN1/1

Product Features

- Stainless steel
- Automatic defrost
- Removable table top with splashback
- Digital controller and temperature display
- GN1/1 Drawers
- Ventilated cooling
- · Castors, 2 lockable

Counter cooler with GN1/1 drawers and shelves

A streamlined and compact cooling solution for commercial kitchens, the CK counter fridge keeps your ingredients chilled and within easy reach during service. The electronic temperature controller enables you to adjust the temperature on the ventilated cooling system to suit your ingredients and maintain consistency. The chiller's GN1/1 drawers and doors allow for easy cleaning and accessibility. Constructed from durable stainless steel, the CK counter fridge is built to last in busy professional kitchen environments. The splashback countertop can be detached to use the unit as an undercounter fridge and the height-adjustable legs provide flexibility. Whether used as a counter or undercounter fridge, the CK chiller is an excellent addition to optimise workflow and productivity.

Measures and Content		
Temperature Range	°C	-2 to +10
Climate Class		4
Gross / Net Weight	kg	122 / 112
Gross / Net Volume	I	282 / 272
Design and Material
