Double door backbar cooler

The Tefcold DB back bar range offers high-quality and energy-efficient cooling solutions for cafes, bars and pubs. These coolers come in a single, double, and triple door models. The cabinets feature an efficient refrigeration system and fans that deliver powerful cooling with minimal energy consumption. Additionally, the units are equipped with a digital controller and temperature display and come with locks as standard. Customers can choose between hinged or sliding doors (excluding DB126H and DB106H). The DB201 visually matches the Elstar EM231
