FSC175H BLACK

Slimline Glass Door Merchandiser

Product Features
• Black interior and exterior
• LED illuminated canopy
• Self-closing hinged glass door
• LED light in door frame
• Adjustable shelves
• Fan assisted cooling
• Internal stainless steel base
• Digital temperature display
• Fully automatic

The slim FSC175H Black is only 435mm wide makes an ideal glass door merchandiser where space is restricted but you want to maximise your sales. The unit comes with 5 adjustable shelves, two bright full length vertical LED lights down each side of the door frame that perfectly illuminate the product inside and an LED light canopy. The black exterior finish looks great especially in high end cafes, delis and patisseries and the black interior makes the product for sale stand out. The unit is ideal to be branded and is popular with drinks companies.
