Refrigerated glass display with extra shelf space

A premium range of refrigerated flat glass displays ideal for cafes and coffee shops. Suitable for deli or cake display and available in different sizes, units have LED lighting under each shelf to help give an excellent display. This particular model comes with an extra shelf, providing more room for storage and display. Sliding doors to the rear allow easy loading and serving while double glazed glass helps to reduce running costs. Cabinets comes fitted with castors for easy movement with adjustable feet at each corner for positioning and levelling if required. Finished in stainless steel and gloss black glass.
